

*A Daily Dose of Child Safety*

# AS YOUR CHILD DEVELOPS, SO SHOULD THEIR CAR SEAT.

## THE RIGHT SEAT IS THE SAFE SEAT

under age **2**

A child under 2 years old and about 30 lbs., should ride in a rear-facing seat.

at least age **2**

When at least 2 years old and about 30 lbs. a child may use a forward-facing seat.

at least **40** lbs

Forward-facing with harness until 4 years old and at least 40 lbs. (or longer if car seat allows).

under **4'9"**

A child should use a booster seat until they are at least 4'9" tall and the seat belt fits correctly.
